DURATION : 55 minutes
PUBLIC : All audiences, up to 330 people.
LANGUAGE : French, English, Spanish, Italian or Mute. (The show is mostly visual).

PERFORMANCE SPACE
Ideal dimensions: 6.7m X 5.5m (22' X 18')
Minimum dimensions: 5.2m x 3,7m, with 2.5m of height. (16' x 12' x 8')
The show is suited for outdoor or indoor performance.
Ground: Dry, flat and level. Grass is ok.
Ideally, the public will not face the sun on daytime.
The experience will be much better if the ambiant noise is reduced (ambiant music, fan, etc.).

SOUND
We are fully autonomous with our sound equipment. However, if a sound system is available, please let us know in advance.

ELECTRICAL POWER :
We use two electrical outlets (we use an electric power of 500W).

LIGHT
- Outdoor venues : Sufficient light at night.

SCHEDULE
This schedule may be flexible, please contact us for arrangements.

- Artist's arrival: 3 hours before the performance (minimum 2 hours).
- Set-up: Artists must have access to the gymnasium at least 2 hours before the performance (3 hours preferred) for setup and preparation.
- Wrap-up: 1h30 minutes (minimum 1 hour)

Gymnasium Availability:
Please ensure that the gymnasium is reserved exclusively for the performance during setup, the show and the post-show wrap-up. No gym classes or other activities should take place during these times.

DRESSING ROOM
A space with table, closed to public access, accessible two hours before the show. It doesn't need to be fancy!
For ecological reasons, we don't ask for water bottles when we have access to tap water.

PARKING
One car.

TRANSPORTATION (if provided)
The material may fit in a minivan, with the 2 artists and driver.

NOTE
Confettis will be used in the performance (large-sized and biodegradable). If that poses a problem, contact us.
Outdoor only: In the event of strong winds or very hot weather, the show may be shorter.
We can't set-up or play under the rain, even a small rain.

SUGGESTIONS: ECO- FRIENDLY PRACTICES

🌱 Greenroom: We appreciate your eco-friendly practices. For example: water dispenser, bulk and vegetarian snacks, refrigerated products kept in the fridge rather than on the table, reusable dishes and condiments available in the cupboards, heating and lighting turned off at arrival. Non-toxic cleaners and recycled toilet paper.

🌱 Waste: Access to recycling and compost containers in dressing rooms and backstage.

🌱 Accommodation (if applicable): Near the venue. We accept homestay accommodation or personal apartment loan (more ecological than hotels).

🌱 If meals or snacks are provided, vegetarian options are preferred. Thank you!

SUGGESTIONS: WELCOMING THE AUDIENCE

-Welcome Introduction
A short welcome introduction before the show is always appreciated! Suggested:
Today, we are welcoming The Kif-Kif Sisters, a Montreal-based artistic duo made up of twin sisters who create and perform their own shows. From writing and performing to designing their costumes and building their sets, they do it all themselves!
Over the years, they have brought their shows to audiences in more than 20 countries around the world.
During the performance, you are welcome to laugh, react and participate. We simply ask that everyone refrain from chatting with one another so that all can enjoy the show.
Get ready for a surprising performance! Please welcome The Kif-Kif Sisters!

-Audience Seating
If gym mats and benches are available, we would greatly appreciate your help setting them up to create tiered seating for the children. This allows everyone to see the performance better and helps keep the audience comfortable patient and engaged.

Thank you for your help!
